

# Malibu – the driver era

All day 'cause I don't know better  
All day bettin' on a chance  
Don't wanna watch you slip through my hands  
Off the ground like we used to dance  
Remember how we never had no plans  
Straight to my head like  
I'm floating above the clouds  
All I see are stars  
Far from the panic, don't know how I  
Live without Live without  
Malibu  
Why don't you take me to, take me to  
Malibu  
Lost in the way you move (way you move)  
Malibu (ah)  
Can't stay away from you  
Show me the light, deep in your eyes  
I can't deny that's paradise  
Right here in Malibu  
Wish I could stay with you  
Stay here in Malibu  
Summer nights got me fucked up  
On the edge and I got no safety  
Summer nights got me fucked up  
Been a while since I felt this way  
Say we're not coming back down,  
Tell me right now  
Run it back now baby  
Summer nights got me fucked up  
In the backseat makin' love  
Straight to my head like  
I'm floating above the clouds  
All I see are stars  
Far from the panic, don't know how I  
Live without Live without  
Malibu

Lost in the way you move (way you move)

Malibu (ah)

Can't stay away from you

Show me the light, deep in your eyes

I can't deny that's paradise

Right here in Malibu

Wish I could stay with you

Stay here in Malibu
