## You Found me - The Fray

I found God on the corner of First in Amistad

Where the west was all but won

All alone

Smoking his last cigarette

I said where you been?

He said, ask anything

Where were you

When everything was falling apart?

All my days

Spent by the telephone

That never rang

And all I needed was a call

That never came

From the corner of First and Amistad

Lost and insecure

You found me, you found me

Lying on the floor

Surrounded, surrounded

Why'd you have to wait?

Where were you, where were you?

Just a little late

You found me, you found me

In the end

Everyone ends up alone

Losing her

The only one who's ever known

Who I am, who I'm not, and who I wanna be

No way to know

How long she will be next to me

Lost and insecure

You found me, you found me

Lying on the floor

Surrounded, surrounded

Why'd you have to wait?

Where were you, where were you?

Just a little late

You found me, you found me Early morning City breaks I've been calling For years and years and years And you never left me no messages You never send me no letters You got some kind of nerve Taking all I want Lost and insecure You found me, you found me Lying on the floor Where were you? Where were you? Lost and insecure You found me, you found me Lying on the floor Surrounded, surrounded Why'd you have to wait? Where were you, where were you? **Just a little late** You found me, you found me Why'd you have to wait To find me?

To find me?
