A Million Dreams – The Greatest Showman Soundtrack

I close my eyes and I can see

The world that's waiting up for me

That I call my own

Through the dark, through the door

Through where no one's been before

But it feels like home

They can say, they can say it all sounds crazy

They can say, they can say I've lost my mind

I don't care, I don't care, so call me crazy

We can live in a world that we design

'Cause every night I lie in bed

The brightest colors fill my head

A million dreams are keeping me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make

There's a house we can build

Every room inside is filled

With things from far away

The special things I compile

Each one there to make you smile

On a rainy day

They can say, they can say it all sounds crazy

They can say, they can say we've lost our minds

I don't care, I don't care if they call us crazy

Runaway to a world that we design

Every night I lie in bed

The brightest colors fill my head

A million dreams are keeping me awake

I think of what the world could be

A vision of the one I see

A million dreams is all it's gonna take

A million dreams for the world we're gonna make

However big, however small

Share your dreams with me
You may be right, you may be wrong
But say that you'll bring me along
To the world you see
To the world I close my eyes to see
I close my eyes to see
Every night I lie in bed
The brightest colors fill my head
A million dreams are keeping me awake
A million dreams, a million dreams
I think of what the world could be
A vision of the one I see
A million dreams is all it's gonna take
A million dreams for the world we're gonna make
For the world we're gonna make

Let me be part of it all
