

# Helpless – The Hardkiss

Helpless

I'm lying on the floor

See

Endless

Love is dawning in me

Breathing

He smiles like wood and gun

Oh, helpless

Hope you won't tell anyone

'cause rebirth always hurts

'cause rebirth always hurts

Nay vstaye Sonechko

Oy, misyats' shchezaye

Helpless

I'm waiting for rebirth

See

Fearless

So would you recognize me

'cause rebirth always hurts

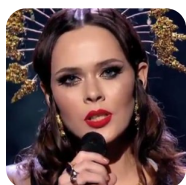

'cause rebirth always hurts

Nay vstaye Sonechko

Misyats' sshchezaye

To kokhannya y u nebi

Nad namy siyaye
