

Johnny B – The Hooters

It's a sleepless night
She's callin' your name
It's a lonely ride I know how you want her
Again and again you're chasin' a dream, yeah
But Johnny my friend she's not what she seems
Johnny B
How much there is to see
Just open your eyes and listen to me
Straight ahead a green light turns to red
Oh, why can't you see, oh, oh Johnny B
And when you drive her home
Is she sittin' real close
Does she make you weak well
That's the way that she wants you
You're strung out again she's taken you over
You've been here before why can't you let go
Johnny B
How much there is to see
Just open your eyes and listen to me
Straight ahead a green light turns to red
Oh, why can't you see, oh, oh Johnny B
And when she calls your name my sweet JohnnyB
You can drive all night
And you know she ll be waiting
To love you again her kiss is her poison
Forever inside you wherever you go
Johnny B
How much there is to see
Just open your eyes and listen to me
Straight ahead a green light turns to red
Oh, why can't you see, oh, oh Johnny B
Hey, Johnny B
How much there is to see
Just open your eyes and listen to me
Straight ahead a green light turns to red
Oh, why can't you see, oh, oh Johnny B (yeah)

Oh, can't you see
Oh, oh Johnny B
Oh, can't you see
