

# I Don't Want to Set the World on Fire (karaoke) – The Ink Spots

I don't want to set the world on fire  
I just want to start a flame in your heart  
In my heart I have but one desire  
And that one is you, no other will do  
I've lost all ambition for worldly acclaim  
I just want to be the one you love  
And with your admission that you'd feel the same  
I'll have reached the goal I'm dreaming of, believe me  
I don't want to set the world on fire  
I just want to start a flame in your heart  
I don't want to set the world on fire, honey  
I love you too much  
I just want to start a great big flame down in your heart  
You see, way down deep inside of me, darling  
I have only one desire  
And that one desire is you  
And I know, baby, ain't nobody else gonna do  
I've lost all ambition for worldly acclaim  
I just want to be the one you love  
And with your admission that you'd feel the same  
I'll have reached the goal I'm dreaming of, believe me  
I don't want to set the world on fire  
I just want to start a flame in your heart
