

# Shake Your Body – The Jackson 5

I don't know what's going happen to you baby  
But I do know that I love ya  
You walk around this town with your  
Head all up in the sky  
And I do know that I want ya  
Let's dance, let's shout  
Shake you body down to the ground  
Let's dance, let's shout  
Shake you body down to the ground  
Let's dance, let's shout  
Shake you body down to the ground  
You tease me with your loving  
to play hard to get  
Cause you do know that I love it  
You walk around this town with your  
Head all up in the sky  
And I do know that I want you  
Let's dance, let's shout  
Shake you body down to the ground  
Let's dance, let's shout  
Shake you body down to the ground  
Let's dance, let's shout  
Shake you body down to the ground  
Let's dance, let's shout  
Shake you body down to the ground  
You are the spark that  
Lit the fire inside of me  
And you know that I love it  
I need to do just something to get closer  
To your soul  
And you do know that I want to  
Let's dance, let's shout  
Let's dance, let's shout
