

# If You Wanna Party – The Just Dancers

If it's a party, c'mon, everybody,  
Dance along, party  
Give the slip, now move like this  
Any planet you're on,  
You can even dance alone, party  
Give the slip, now move like this  
Feel the heart of your beat,  
And your soul,  
And your feet  
That's the way that it goes,  
Step right up to the show  
When you start feelin' loose,  
we've got dancin' to do, baby  
Now watch me living my truth  
They'll never touch me, I'm so on fire  
Get down with your crown  
Now jump, jump, jump, jump  
If you wanna party, oh, you can just dance,  
Just dance  
Gotta move your body, so you can just dance,  
Just dance (Just da-ance)  
Ooh-ooh-ooh, ooh-ooh (Toop, toop, toop)  
Ooh-ooh-ooh, ooh-ooh  
Don't you worry at all,  
Dancin' like a disco ball, party  
Give the slip, now move like this  
You can dance from your heart,  
Doesn't matter where you are, party!  
Give the slip, now move like this  
Now wind it up, and shake it down  
You can feel the groove in your fingers now  
Make yourself one with the music, it's fun  
Honey, you're a star now!  
Now jump, jump, jump, jump  
If you wanna party, oh, you can just dance,  
Just dance (Whoa-oh)

Gotta move your body, so you can just dance,  
Just dance (Let's go!)  
Ooh-ooh-ooh, ooh-ooh (Toop, toop, toop)  
Ooh-ooh-ooh, ooh-ooh (C'mon, baby!)  
Ooh-ooh-ooh, ooh-ooh (Toop, toop, toop)  
Ooh-ooh-ooh, ooh-ooh (Ah-ouh)  
Move your hips from side to side  
Peanut butter jelly time,  
Mashed potato, feelin' fine, dip, baby, dip  
Move your hips from side to side  
Peanut butter jelly time,  
Mashed potato, feelin' fine, dip, baby, dip  
(Ah-ouh!)  
If you wanna party, oh, you can just dance,  
Just dance (Just dance, baby)  
Gotta move your body, so you can just dance,  
Just dance  
If you wanna party, oh, you can just dance,  
Just dance (Oh, yeah)  
Gotta move your body, so you can just dance,  
Just dance  
[Outro]  
Ha-ah-ouh!
