

# Fell in love with an alien – The Kelly Family

Out in the fields  
Where the farmers grow bread  
When called for the meals  
They took for the shed  
The dark came to fall  
And silence was all  
A beauty shone bright  
Surrounded by light

I fell in love with an alien  
Fell in love with her eyes  
Fell in love with an alien  
I'm telling you no disguise

I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise

She came looking out babe for a Romeo  
She ain't looking out babe for a homeboy

I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise

The moon went to bed  
The sun growing red  
A scarecrow appeared  
And chased her in fear  
She send me her love,  
Girl love to me  
And then we did grow  
A big family

I fell in love with an alien  
Fell in love with her eyes  
Fell in love with an alien  
I'm telling you no disguise

I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise

She came looking out babe for a Romeo  
She ain't looking out babe for a homeboy

I fell in love with an alien  
Fell in love with her eyes  
Fell in love with an alien  
I'm telling you no disguise

I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no disguise

I fell in love with an alien  
Fell in love with her eyes  
Fell in love with an alien  
I'm telling you no disguise

I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no dis,  
Telling you no dis,  
Disguise
