One more song – The Kelly Familly

Holding back all my troubles
That
Accumualated over time
And now i can't seem to define
You and i
Were like brothers
We stuck together
In hard times
But now it all
Seems
To decline
I'we written

One more song
Before everything goes wrong
Sing in
One more song
For keeping us going on
Come on now
One more song
Before everything goes wrong
Oh yeah
One more song
For keeping us going on

All the noise and all the trouble
Might have made us
Loose our minds
But all we need
Just
A little time

Everybody

One more song
Before everything goes wrong

Sing in
One more song
For keeping us going on
Come on now
One more song
Before everything goes wrong
Oh yeah
One more song
For keeping us going on

Ride on
Ride on
Ride on
Ride on
Ride on
Into the sun
Ride on
Ride on
Ride on
Ride on
Ride on
Into the sun

I'll sing you one more song
Before everything goes wrong
Oh yeah
One more song
For keeping us going on
Come on now
One more song
Before everything goes wrong,
Oh yeah
One more song
For keeping us going on
And on,
And on,
Oh yeah

One more song

Before everything goes wrong
Oh yeah
One more song
For keeping us going on

Before everything goes wrong
Seem
To define
I'll sing you one more song
