

# Fell In Love With An Alien – The Kelly Family

Out in the fields  
Where the farmers grow bread  
When called for the meals  
They took for the shed  
Then dark came to fall  
And silence was all  
A beauty shone bright  
Surrounded by light  
C'mon now;  
I fell in love with an Alien  
Fell in love with her eyes  
Fell in love with an Alien  
I'm telling you no disguise  
I'm in love with an Alien  
I'm in love with her eyes  
I'm in love with an Alien  
I'm telling you no disguise  
She came looking out babe  
For a Romeo 'caus  
She ain't looking out babe  
For a homeboy  
I fell in love with an Alien  
I'm in love with her eyes  
I'm in love with an Alien  
I'm telling you no disguise  
The moon went to bed  
The sun growing red  
A scarecrow appeared  
And chased her in fear  
She send me her love  
Her love to me  
And then we did grow  
A big family  
C'mon now;  
Fell in love with an Alien  
Fell in love with her eyes

Fell in love with an Alien  
I'm telling you no disguise  
I'm in love with an Alien  
I'm in love with her eyes  
I'm in love with an Alien  
I'm telling you no disguise  
She came looking out babe  
For a Romeo 'caus  
She ain't looking out babe  
For a homeboy  
Fell in love with an Alien  
Fell in love with her eyes  
Fell in love with an Alien  
I'm telling you no disguise  
I'm in love with an Alien  
I'm in love with her eyes  
I'm in love with an Alien  
I'm telling you no disguise  
I'm in love with an alien  
I'm in love with her eyes  
I'm in love with an alien  
I'm telling you no dis,  
Telling you no dis, disguise
