## Thunder – The Kelly Family

I came down to see you But you were never there You were always lonely somewhere I came donw to love you But you were never there But you're always parting somewhere Hold on, don't leave me lonely Hold on, don't leave me lonely Hold on, don't go without me Tell me what's the game now 'cause i'm feeling kind of jealous You're going out with friends now somewhere I'm gonna get my guitar And strum down all the pain I think i'm going crazy, beware Hold on, don't leave me lonely Hold on, don't leave me lonely Hold on, don't go without me I'm gonna let nobody, gonna let nobody Love you Gonna let nobody love Thunder bloody bloody thunder Bloody thunder is on its way Thunder bloody bloody thunder Bloody thunder is on its way Thunder bloody bloody thunder Bloody thunder is on its way Thunder bloody bloody thunder Bloody thunder is on its way I came down to see you But you were never there You just left me lonely somewhere Hold on, don't leave me lonely Hold on, don't leave me lonely Hold on, hold on

Hold on, don't leave me lonely

Hold on I'm gonna let nobody, gonna let nobody Love you Gonna let nobody love you
