

# Who'll come with me – The Kelly Family

Who'll come with me?

Don't be afraid,

I know the way

Who'll sing with me?

Don't be afraid,

I know the way

Who'll dance with me?

All through the world,

Don't be afraid,

I'll show the way

We'll go with you

We searched the way

To find your star

Who'll come with us?

Don't be afraid,

We found the way

Who'll fly with me

To reach a star?

Don't be afraid,

I know the way

Hello to all you young ones,

Our fondest hopes

Now rest in you

Remember there's nothing you can't do

So believe and be brave

Who'll be my friend

And walk with me

And sing this song?

Who'll love with me?

We'll change the world

And set it free

We'll walk with you  
We'll be your friend  
We'll sing your song  
We know the way
