Who'll come with me – The Kelly Family

Who'll come with me?
Don't be afraid,
I know the way
Who'll sing with me?
Don't be afraid,
I know the way
Who'll dance with me?
All through the world,
Don't be afraid,
I'll show the way

We'll go with you
We searched the way
To find your star
Who'll come with us?
Don't be afraid,
We found the way

Who'll fly with me To reach a star? Don't be afraid, I know the way

Hello to all you young ones,
Our foundest hopes
Now rest in you
Remember there's nothing you can't do
So believe and be brave

Who'll be my friend And walk with me And sing this song? Who'll love with me? We'll change the world And set it free We'll walk with you We'll be your friend We'll sing your song We know the way
