Human - The Killers

I did my best to notice When the call came down the line Up to the platform of surrender I was brought but I was kind And sometimes I get nervous When I see an open door Close your eyes, clear your heart Cut the cord Are we human Or are we dancer? My sign is vital My hands are cold And I'm on my knees Looking for the answer Are we human Or are we dancer? Pay my respects to grace and virtue Send my condolences to good Give my regards to soul and romance They always did the best they could And so long to devotion You taught me everything I know Wave goodbye, wish me well You've got to let me go Are we human Or are we dancer? My sign is vital My hands are cold And I'm on my knees Looking for the answer Are we human or are we dancer? Will your system be alright When you dream of home tonight? There is no message we're receiving Let me know, is your heart still beating?

Are we human

My sign is vital
My hands are cold
And I'm on my knees
Looking for the answer
You've got to let me know
Are we human
Or are we dancer?
My sign is vital
My hands are cold
And I'm on my knees
Looking for the answer
Are we human
Or are we dancer?
Are we human or are we dancer?
Are we human or are we dancer?

Or are we dancer?
