

# There She Goes – The La's

There she goes  
There she goes again  
Racing through my brain  
And I just can't contain  
This feeling that remains

There she blows (there she blows again)  
There she blows again (there she blows again)  
Pulsing through my vein (there she blows again)  
And I just can't contain  
This feeling that remains

There she goes  
There she goes again  
She calls my name  
Pulls my train  
No one else could heal my pain  
But I just can't contain  
This feeling that remains

There she goes  
There she goes again  
Chasing down my lane  
And I just can't contain  
This feeling that remains

There she goes (there she goes again)  
There she goes (there she goes again)  
There she goes (there she goes again)
