Turn Out The Lights - The Music

Turn out the light

Tell me a story

Does it feel right?

We all hate our own lives

Baby baby baby baby ba ba yeah

Baby baby baby ba ba ba yeah

How does it feel

When I'm not there?

Should it feel right

If he doesn't care?

Baby baby baby ba ba ba yeah

You only get

What you are given

Now his time is up

Used to see

Watch his love fall down

Do you feel it?

Well his time is up

You to see

Baby baby baby ba ba ba yeah

Baby baby baby ba ba ba yeah

Oh baby babe

Turn out the light

Tell me a story

Does it feel right?

We all hate our own lives

Baby baby baby ba ba ba yeah

Give it away

Give it away

Give it away

Give it away
Give it away
Give it away
Give it away
Give it away
Give it away yeah yeah yeah
Give it away yeah
