

# All I Want – The Offspring

Okay! Ya ya ya ya ya!  
Day after day  
(your home life's a wreck)  
The powers that be  
Just breathe down your neck  
You get no respect  
(you get no relief)  
You gotta speak up  
And yell out your piece  
So back off your rules  
Back off the jive  
'Cause I'm sick of not living to stay alive  
Leave me alone  
Asking a lot  
I don't wanna to be controlled  
That's all I want  
That's all I want  
That's all I want  
That's all I want  
Ya ya ya ya ya!  
How many times  
(is it gonna take)  
'Til someone around you hears what you say?  
You've tried being cool  
(you feel like a lie)  
You've played by their rules,  
Now it's their turn to try  
So back off your rules  
Back off your jive  
'Cause I'm sick of not living to stay alive  
Leave me alone  
Not asking a lot  
Just don't wanna to be controlled  
That's all I want  
That's all I want  
That's all I want

That's all I want  
I said it before  
I'll say it again  
If you could just listen,  
Then it might make sense  
So back off your rules  
Back off your jive  
'Cause I'm sick of not living to stay alive  
Leave me alone  
Not asking a lot  
Just don't wanna to be controlled  
That's all I want  
That's all I want  
That's all I want  
Ya ya ya ya ya!
