

# What Happened to You? – The Offspring

What in the world happened to you?  
Before you started talkin'  
You used to have a brain  
But now you don't get  
Even the simplest of the things  
I can draw a little picture  
Or even use my hands  
I try to explain  
But you just don't understand  
Heeeeey  
Man you're really losin' it  
Heeeeey  
And you've really done a lot of junk now  
Heeeeey  
But you keep abusin' it  
What in the world happened to you  
It's bad enough you do it  
You do it to yourself  
But takin' someone with you  
Well you know that's something else  
I say I'm not that kind of person  
I'm not that kind of man  
I try to explain  
But you just don't understand  
Heeeeey  
Man you're really losin' it  
Heeeeey  
And you've really done a lot of junk now  
Heeeeey  
But you keep abusin' it  
What in the world happened to you  
Heeeeey  
Man you're really losing it  
Heeeeey  
And you've really done a lot of junk now  
Heeeeey

But you keep on abusin' it  
What in the world happened to you  
I might be sympathetic or cut a little slack  
If I thought that you were willing  
To give a little back  
But you do it in the morning  
You do it in the night  
You lie to refrain  
From just facing your life  
So I'll see you man tomorrow  
You'll be gackin' up again  
I'll see you in a coffin  
By the time your wad is spent  
I think of all the times  
That I tried to lend a hand  
I try to explain  
But you just don't understand  
Heeeey  
Man you're really losin' it  
Heeeey  
And you've really done a lot of junk now  
Heeeey  
But you keep abusin' it  
What in the world happened to  
What in the world happened to  
What in the world happened to you
