

GLOW – THE PASTA

My beloved, send an arrow to my heart
Change soul that has drowned in sorrow
Bring glow, let me love you, fiery spark
Set goal, guide me where we'll never part

Change

My

Soul

Let me fly

Fly

Let me cry

Cry

Let me smile

Smile

Let me shine

I'll glow

My beloved, send an arrow to my heart

Change soul that has drowned in sorrow

Bring glow, let me love you, fiery spark

Set goal, guide me where we'll never part

Let me flow,

Flow

Let me glow

Glow

Let me grow

Grow

Change my soul

I'll glow

Wherever i climb

Wherever i go

I'm feeling I'm there alone

Cuz people just hate me

They don't understand me

And it often hurts

It makes me mad

But they don't know the one

The one that gives his hand

I take the chance
Now I'll glowwww
Auuuuuuuuuuuu
Uuuuuuuuuuuuu
Heeeey
Yeaahh
Yeaaah
Woooooh
Wooooo
Change my soul
Change my soul
