

Only You Dj Kuchcik – The Platters

<Only you
Can make this world seem right
Only you
Can make the darkness bright
Only you
And you alone
Can thrill me like you do
And fill my heart with love for only you

Only you can make this change in me
For it's true,
You are my destiny
When you hold my hand understand
The magic that you do

You're my dream come true
My one and only you

Only you can make this change in me
For it's true, you are my destiny
When you hold my hand
I understand the magic that you do

You're my dream come true
My one and only you

One and only you
