

# Only You – The Platters

Only you can make all this world  
Seem right  
Only you can make the darkness bright  
Only you and you alone can thrill me like  
you do  
And fill my heart with love for only you  
Oh, only you can do make all  
This change in me  
For it's true, you are my destiny  
When you hold my hand I understand the magic  
That you do  
You're my dream come true, my one  
And only you  
Oh oh, only you can do make this change in me  
For it's true, you are my destiny  
When you hold my hand I understand the magic  
That you do  
You're my dream come true, my one and  
Only you
