

Only You – The Platters

Only you can make all this world
Seem right
Only you can make the darkness bright
Only you and you alone can thrill me like
you do
And fill my heart with love for only you
Oh, only you can do make all
This change in me
For it's true, you are my destiny
When you hold my hand I understand the magic
That you do
You're my dream come true, my one
And only you
Oh oh, only you can do make this change in me
For it's true, you are my destiny
When you hold my hand I understand the magic
That you do
You're my dream come true, my one and
Only you
