

Every breath you take – The Police

Every breath you take
Every move you make
Every bond you break
Every step you take
I'll be watching you

Every single day
Every word you say
Every game you play
Every night you stay
I'll be watching you

Oh can't you see you belong to me?
How my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Since you've gone I've been lost without a trace
I dream at night I can only see you face
I look around but it's you I can't replace
I feel so cold and I long for your embrace
I keep crying baby, baby please....
Oh can't you see you belong to me?
How my poor heart aches
With every step you take

Every move you make
Every vow you break
Every smile you fake
Every claim you stake
I'll be watching you

Every move you make
Every step you take
I'll be watching you

Every breath you take
Every breath you take
Every breath you take
Oh!
Every breath you take
Every breath you take
