

Take me down – The Pretty Reckless

Been waitin' at these crossroads forever
And a day
On a guy to buy my soul
I spend all night and day
How much harder can I play
You know I gave my life to rock n' roll
Here we go
Momma begged me please
Yes, she got down on her knees
Said: "You'll burn in that Mississippi sun"
But I'm the only one that's standing here
So mama don't you have no fear
I'm either last or I've already won
Here I go
Take me down
Take me down
Take me down
Won't you
Take me down?
Standing at the crossroads
A dried up pen in hand
The conversation went like this
"Tell me your desire
Why you pulled me from the fire
And we'll seal the deal with a kiss"
Said: "I wanna raise the dead,
Find a note that I can shred,
On my walls I scrawl my gods
Don't care what happens when I die
As long as I'm alive all
I wanna do is rock, rock, rock"
Take me down
Take me down
Take me down
Won't you
Take me down?
