

October and April (DUET) – The Rasmus feat. Anette Olzon

[Ja]

She was like April sky
Sunrise in her eyes
Child of light, shining star
Fire in her heart
Brightest day, melting snow
Breaking through the chill
October and April

[Ty]

He was like frozen sky
In October night
Darkest cloud, endless storm
Raining from his heart
Coldest snow, deepest blue
Tearing down the spring
October and April

[Razem]

Like hate and love
World's apart
This fatal love was like poison right from the start
Like light and dark
Worlds apart
This fatal love was like poison right from the start

[Ja]

We were like loaded guns
Sacrificed our lives

[Ty]

We were like love undone
Craving to entwine

[Razem]

Fatal touch
Final thrill
Love was bound to kill
October and April

[Razem]
Like hate and love
World's apart
This fatal love was like poison right from the start
Like light and dark
World's apart
This fatal love was like poison right from the start

[Razem]
Hate and love
Worlds apart
This fatal love was like poison right from the start
Light and dark
World's apart
This fatal love was like poison right from the start

[Razem]
