

I'll Be There For You – The Rembrandts

So no one told you life was gonna be this way
Your job's a joke, you're broke, your love life's D.O.A.
It's like you're always stuck in second gear
When it hasn't been your day, your week
Your month, or even your year, but

I'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before
I'll be there for you
'Cause you're there for me too

You're still in bed at ten and work began at eight
You've burned your breakfast, so far things are going great
Your mother warned you there'd be days like these
But she didn't tell you when the world has brought
You down to your knees that

I'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before
I'll be there for you
'Cause you're there for me too

No one could ever know me
No one could ever see me
Seems you're the only one who knows
What it's like to be me
Someone to face the day with
Make it through all the rest with
Someone I'll always laugh with
Even at my worst, I'm best with you, yeah

It's like you're always stuck in second gear

When it hasn't been your day, your week
Your month, or even your year

I'll be there for you
When the rain starts to pour
I'll be there for you
Like I've been there before
I'll be there for you
'Cause you're there for me too

I'll be there for you
I'll be there for you
I'll be there for you
'Cause you're there for me too
