

Discoteque – The Roop

Okay, I feel the rhythm
Something's going on here
The music flows through my veins
It's taking over me, it's slowly kicking in
My eyes are blinking and
I don't know what is happening
I can't control it, don't wanna end it
There's no one here and I don't care
I feel it's safe to dance alone (dance alone)
Dance alone (dance alone),
Dance alone (dance alone)
Dance alone (dance alone),
Dance alone (dance alone)
Dance alone (dance alone), dance alone
Let's discoteque right at my home
It is okay to dance alone
Dance alone, dance alone (alone)
Dance alone (alone), dance alone (alone)
I got the moves, it's gonna blow
Dance alone, dance alone
Dance alone, dance alone
By dancing on my own
I'm healing wounded soul
My body's shaking, heart is breaking
Have to let it go
I need to get up and put my hands up
There's no one here and I don't care
I feel it's safe to dance alone
Let's discoteque right at my home
It is okay to dance alone
Dance alone, dance alone (alone)
Dance alone (alone), dance alone (alone)
I got the moves, it's gonna blow
Dance alone, dance alone
Dance alone, dance alone
Let's discoteque right at my home

It is okay to dance alone
I got the moves, it's gonna blow
It is okay to dance alone
Let's discoteque right at my home
It is okay to dance alone
I got the moves, it's gonna blow
It is okay to dance alone
