## Discoteque – The Roop

Okay, I feel the rhythm Something's going on here The music flows through my veins It's taking over me, it's slowly kicking in My eyes are blinking and I don't know what is happening I can't control it, don't wanna end it There's no one here and I don't care I feel it's safe to dance alone (dance alone) Dance alone (dance alone), Dance alone (dance alone) Dance alone (dance alone), Dance alone (dance alone) Dance alone (dance alone), dance alone Let's discoteque right at my home It is okay to dance alone Dance alone, dance alone (alone) Dance alone (alone), dance alone (alone) I got the moves, it's gonna blow Dance alone, dance alone Dance alone, dance alone By dancing on my own I'm healing wounded soul My body's shaking, heart is breaking Have to let it go I need to get up and put my hands up There's no one here and I don't care I feel it's safe to dance alone Let's discoteque right at my home It is okay to dance alone Dance alone, dance alone (alone) Dance alone (alone), dance alone (alone) I got the moves, it's gonna blow Dance alone, dance alone Dance alone, dance alone Let's discoteque right at my home

It is okay to dance alone I got the moves, it's gonna blow It is okay to dance alone Let's discoteque right at my home It is okay to dance alone I got the moves, it's gonna blow It is okay to dance alone
