

# Moonlight Shadow – The Shadows

The last that ever she saw him  
Carried away by the moonlight shadow  
He passed on worried and warning  
Carried away by the moonlight shadow  
Lost in a riddle that Saturday night  
Far away on the other side  
He was caught in the middle  
Of a desperate fight  
And she couldn't find how to push through  
The trees that whisper in the evening  
Carried away by the moonlight shadow  
Sing a song of sorrow and grieving  
Carried away by the moonlight shadow  
All she saw was a silhouette of a gun  
Far away on the other side  
He was shot six times by a man on the run  
She couldn't find how to push through  
I stay, I pray  
See you in heaven far away  
I stay and I pray  
See you in heaven one day  
4 am in the morning  
Carried away by the moonlight shadow  
As I watched your vision forming  
Carried away by the moonlight shadow  
Stars move slowly in a silvery night  
Far away on the other side  
Will you come to talk to me this night  
But she couldn't find how to push through  
I stay, I pray  
See you in heaven far away  
I stay, I pray  
See you in heaven one day  
Caught in the middle of a hundred and five  
The night was heavy and the air was alive  
She couldn't find how to push through

I stay, I pray  
See you in heaven far away  
I stay, I pray  
See you in heaven one day
