## **Golden Brown - The Stranglers**

Golden brown texture like sun
Lays me down with my mind she runs
Throughout the night
No need to fight
Never a frown with golden brown

Every time just like the last
On her ship tied to the mast
To distant lands
Takes both my hands
Never a frown with golden brown

Golden brown finer temptress
Through the ages she's heading West
From far away
Stays for a day
Never a frown with golden brown

Never a frown With golden brown Never a frown With golden brown
