Happy Together - The Turtles

Imagine me and you, I do
I think about you day and night, it's only right
To think about the girl you love and hold her tight
So happy together

If I should call you up, invest a dime And you say you belong to me and ease my mind Imagine how the world could be, so very fine So happy together

I can't see me lovin' nobody but you For all my life When you're with me, baby the skies'll be blue For all my life

Me and you and me No matter how they toss the dice, it had to be The only one for me is you, and you for me So happy together

I can't see me lovin' nobody but you For all my life When you're with me, baby the skies'll be blue For all my life

Me and you and me No matter how they toss the dice, it had to be The only one for me is you, and you for me So happy together

Me and you and me No matter how they toss the dice, it had to be The only one for me is you, and you for me

So happy together

So happy together
How is the weather
So happy together
We're happy together
So happy together
Happy together
So happy together
So happy together
So happy together
