

Can We Dance – The Vamps

I talk a lot of shit when I'm drinkin' baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know You, but I'd like to skip the
Small talk and romance, girl
That's all I have to say, so baby can we dance

Here we go again
Another drink I'm cavin in
The stupid words keep fallin from my mouth

You know that I mean well
My hands were meant for somewhere else
Your eyes were doing naughty butterflies

Oh oh
One more drink and I should go
Oh oh
But maybe she might like me though
Oh oh
I just can't think of what to say
Should I go, should I stay
Just can't let her slip away

I talk a lot of shit when I'm drinkin' baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know You, but I'd like to skip the
Small talk and romance, girl
That's all I have to say, so baby can we dance

I was nearly in

But then came the pushy friend
Killed the vibe and took my perfect ten away

You know I need You, girl
My heart's not made for someone else
So save me here 'cause I can barely stand

Oh oh
One more drink and I should go
Oh oh
But maybe she might like me though
Oh oh
I can't take this anymore
Should I stay, should I go
It just can't lead back to her door

I talk a lot of shit when I'm drinkin' baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know You, but I'd like to skip the
Small talk and romance, girl
That's all I have to say, so baby can we dance

I've been a bad, bad boy
Whispering rude things in her ear
Please say she'll breake
Please say she'll change
Her mind and bring me back to her place

I talk a lot of shit when I'm drinkin' baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know You, but I'd like to skip the
Small talk and romance, girl
That's all I have to say, so baby can we dance

I talk a lot of shit when I'm drinkin' baby
I'm known to go a little too fast
Don't mind all my friends I know they're all crazy
But they're the only friends that I have

I know I don't know You, but I'd like to skip the
Small talk and romance, girl
That's all I have to say, so baby can we dance
