

Untouched – The Veronicas

I go ooh ooh, you go ah ah

Lalalalalalalala

Lalalalalalalala

I wanna wanna wanna get get get what I want

Don't stop

Give me give me give me what you got got

Cause I can't wait wait wait any more more more more

Don't even talk about the consequence

Cause right now you're the only thing

That's making any sense to me

And I don't give a damn what they say,

What they think think

Cause you're the only one who's on my mind

I'll never ever let you leave me

I'll try to stop time for ever,

Never wanna hear you say goodbye (bye bye bye)

I feel so untouched

And I want you so much

That I just can't resist you

It's not enough to say that I miss you

I feel so untouched right now

Need you so much somehow

I can't forget you

I've gone crazy from the moment I met you

Untouched

And I need you so much

See you, breathe you, I want to be you

Alalalala alalalala

You can take take take take take time time

To live live the way you gotta gotta live your life

Give me give me give me all of you you

Don't be scared

I'll see you through the loneliness of one more more more

Don't even think about what's right or wrong,

Wrong or right

'Cause in the end it's only you and me

And no one else is gonna be around
To answer all the questions left behind
And you and I are meant to be so even
If the world falls down today
You've still got me to hold you up up
And I will never let you down (down)
I feel so untouched
And I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you
Untouched, untouched, untouched, untouched, untouched
Alalalala alalalala
Untouched
Alalalala alalalala
I feel so untouched
And I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you
I feel so untouched
And I want you so much
That I just can't resist you
It's not enough to say that I miss you
I feel so untouched right now
Need you so much somehow
I can't forget you
I've gone crazy from the moment I met you
