

Bitter sweet symphony – The Verve

Cos' it's a bittersweet symphony this life
Trying to make ends meet,
You're a slave to the money then you die
I'll take you down the only road
I've ever been down
You know the one that takes you to the places
Where all the veins meet, yeah
No change,
I can't change, I can't change, I can't change
But I'm here in my mold, I am here in my mold
But I'm a million different people
From one day to the next
I can't change my mold,
No, no, no, no, no, no, no
Well I never pray
But tonight I'm on my knees, yeah
I need to hear some sounds
That recognise the pain in me, yeah
I let the melody shine,
Let it cleanse my mind, I feel free now
But the airwaves are clean
And there's nobody singing to me now
No change,
I can't change, I can't change, I can't change
But I'm here in my mold, I am here in my mold
And I'm a million different people
From one day to the next
I can't change my mold,
No, no, no, no, no, no, no
Cos' it's a bittersweet symphony this life
Trying to make ends meet,
Trying to find some money then you die
You know I can't change,
I can't change, I can't change
But I'm here in my mold, I am here in my mold
And I'm a million different people

From one day to the next
I can't change my mold,
No, no, no, no, no, no, no
(I'll take you down
The only road I've ever been down)
(I'll take you down
The only road I've ever been down)
