

I Feel It Coming – The Weeknd Feat. Daft Punk

Yeah, ah
Tell me what you really like
Baby, I can take my time
We don't ever have to fight
Just take it step by step
I can see it in your eyes
'Cause they never tell me lies
I can feel that body shake
And the heat between your legs
You've been scared of love and what it did
To you
You don't have to run, I know what you've
Been through
Just a simple touch and it can set you free
We don't have to rush when you're alone
With me
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
You are not the single type
So baby, this the perfect time
I'm just tryna to get you high (I'm just
Tryna, babe)
And faded off this touch
You don't need a lonely night
So baby, I can make it right
You just got to let me try (try)
To give you what you want
You've been scared of love and what it
Did to you
You don't have to run, I know what
You've been through
Just a simple touch and it can set you free
We don't have to rush when you're alone
With me

I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
I feel it coming, I feel it coming, babe
You've been scared of love and what it did
To you
