

Take My Breath – The Weeknd

I saw the fire in your eyes
I saw the fire when I look into your eyes
You tell me things you wanna try
I know temptation is the devil in disguise
You risk it all to feel alive, oh yeah
You're offering yourself to me like sacrifice
You said you do this all the time
Tell me you love me if I bring you to the light

It's like a dream
What she feels with me
She loves to be
On the edge
Her fantasy
Is okay with me
Then suddenly
Baby says

Take my breath
Away
And make it last forever, babe
Do it now or never, babe
Take my breath
Away
Nobody does it better, babe
Bring me close to

Want me to hold on to you tight
You pull me closer, feel the heat between your thighs
You're way too young to end your life
Girl, I don't wanna be the one who pays the price

Ooh, it's like a dream
What she feels with me
She loves to be
On the edge

Her fantasy
Is okay with me
Then suddenly
Baby says

Take my breath
Away
And make it last forever, babe
Do it now or never, babe
Take my breath
Away
Nobody does it better, babe
Bring me close to heaven, babe
Take my breath

Oh
Oh-ooh
And they'll see me
Oh-ooh, ooh
Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh, oh-oh
Oh-oh

Take my breath
Away
And make it last forever, babe
Do it now or never, babe
Take my breath
Away
Nobody does it better, babe
Bring me close to heaven, babe
Take my breath
Take my breath
Nobody does it better, babe
Bring me close to heaven, babe
Take my breath
