

Crystallised – The xx

You've applied the pressure
To have me crystallised
And you've got the faith
That I could bring paradise
I'll forgive and forget before I'm paralysed
Do I have to keep up the pace
To keep you satisfied?

Ay, ay
Things have gotten closer to the sun
And I've done things in small doses
So don't think that I'm pushing you away
When you're the one that I've kept closest

Ay, ay, ay

Ay, ay, ay

Ay, ay, ay

Ay, ay, ay

You don't move slow
I'm taking steps in my direction
The sound resounds, echo
Does it lessen your affection? No
You say I'm foolish for pushing this aside
But burn down our home, I won't leave alive

Ay, ay, ay

Glaciers have melted to the sea
I wish the tide would take me over
I've been down on my knees
And you just keep on getting closer

Ay, ay, ay

Ay, ay, ay

Ay, ay, ay

Ay, ay, ay

Glaciers have melted/things have gotten closer
To the sea/ to the sun
I wish the tide would/and I've done things
Take me over/in small doses
So don't

Ive been down/think that I'm
Onto my knees/pushing You away
And you just/when you're the one
Keep on getting closer/That I've kept closest
Go slow
Go slow, woah-oh
Go slow
Go slow, woah-oh
Go slow
