

Dynamite – Thomas Anders

Step up! Come on!
A girl gotta know what she wants!
So hold up, don't be shy!
You don't need a reason why
So what're you waiting for?
Come and feel, take the bait!
Nothing is impossible, girl, let's have faith
So let the silence go, turn it off, make
It loud
You get one shot, don't let me down
I'm like dynamite
And it feels so right
I'm explosive you'll be the fire that lights
My dynamite, so step back tonight
I'm explosive you'll be the fire that lights
Tonight
Get down on your marks
Cause all you need is a spark
To detonate the spark come get this thing
What is
Heart
So what're you waiting for?
Come and feel, take the bait!
Nothing is impossible, girl, let's have faith
So let the silence go, turn it off, make
It loud
You get one shot, don't let me down
I'm like dynamite
And it feels so right
I'm explosive you'll be the fire that lights
My dynamite, so step back tonight
I'm explosive you'll be the fire that lights
Tonight
When the alarm
It's about to go off -
I'll do what you want,

I don't want you to stop
Don't handle with care,
It's the hands on approach,
3-2-1-and let's go!
I'm like dynamite
And it feels so right
I'm explosive you'll be the fire that lights
My dynamite, so step back tonight
I'm explosive you'll be the fire that lights
Tonight
