

# In Your Eyes – Thomas Anders

Here I stand alone  
With my heart all in my hands  
I know I was so wrong  
Not believing that you will understand  
Here we are  
Standing face to face  
Here I am  
Losing time and space  
I am falling in your eyes  
Makes me wanna fly babe  
Feel I'm falling every time  
Takes me always by surprise  
When I'm looking in your eyes  
Babe I just can't wait  
Chase away this loneliness inside  
And I know that you're my faith  
Losing all my heart and soul this night  
You and me  
Standing face to face  
You will see  
We're lost in our embrace  
I am falling in your eyes  
Makes me wanna fly baby  
Feel I'm falling every time  
Takes me always by surprise  
When I'm looking in your eyes  
Baby we we can't go on and on  
And the feelings are so strong  
And you know babe  
There will be no more goodbyes  
When I look into your eyes  
I am falling in your eyes  
Makes me wanna fly baby  
Feel I'm falling every time  
Takes me always by surprise, oh yeah  
I am falling, I'm falling in your eyes

Oh babe, oh babe I'm falling every time  
I'm falling every time, when I'm looking  
In your eyes
