

# Craving You – Thomas Rhett

Every time we have to say goodbye  
I'm counting down until we say hello  
Every touch is like the strongest drug  
I don't know how much longer I can go

I never had something that I can't walk away from  
But, girl, my self-control's so paralyzed  
When it comes to you, no, I ain't got no patience  
There's something 'bout you girl I just can't fight

You're like that cigarette  
That shot of 100 proof  
No matter how much I get  
I'm always craving  
That feeling when we kiss  
The way your body moves  
No matter how much I get  
I'm always craving you  
Craving you

All the in-between is killing me  
You know I come unglued from missing you  
Sunset eyes, no, I don't have to try  
Because you know exactly what to do

I never had something that I can't walk away from  
But, girl, my self-control's so paralyzed  
When it comes to you, no, I ain't got no patience  
There's something 'bout you I just can't fight

You're like that cigarette  
That shot of 100 proof  
No matter how much I get  
I'm always craving  
That feeling when we kiss  
The way your body moves

No matter how much I get  
I'm always craving you  
Craving you

Craving you  
Craving you

Every time we have to say goodbye  
I'm counting down until we say hello  
Every touch is like the strongest drug  
I don't know how much longer I can go

You're like that cigarette  
That shot of 100 proof  
No matter how much I get  
I'm always craving  
That feeling when we kiss  
The way your body moves  
No matter how much I get  
I'm always craving you, yeah  
Craving you

Craving you (I'm craving you baby)  
I'm craving you  
I'm craving you babe
