

Craving You – Thomas Rhett

Every time we have to say goodbye
I'm counting down until we say hello
Every touch is like the strongest drug
I don't know how much longer I can go

I never had something that I can't walk away from
But, girl, my self-control's so paralyzed
When it comes to you, no, I ain't got no patience
There's something 'bout you girl I just can't fight

You're like that cigarette
That shot of 100 proof
No matter how much I get
I'm always craving
That feeling when we kiss
The way your body moves
No matter how much I get
I'm always craving you
Craving you

All the in-between is killing me
You know I come unglued from missing you
Sunset eyes, no, I don't have to try
Because you know exactly what to do

I never had something that I can't walk away from
But, girl, my self-control's so paralyzed
When it comes to you, no, I ain't got no patience
There's something 'bout you I just can't fight

You're like that cigarette
That shot of 100 proof
No matter how much I get
I'm always craving
That feeling when we kiss
The way your body moves

No matter how much I get
I'm always craving you
Craving you

Craving you
Craving you

Every time we have to say goodbye
I'm counting down until we say hello
Every touch is like the strongest drug
I don't know how much longer I can go

You're like that cigarette
That shot of 100 proof
No matter how much I get
I'm always craving
That feeling when we kiss
The way your body moves
No matter how much I get
I'm always craving you, yeah
Craving you

Craving you (I'm craving you baby)
I'm craving you
I'm craving you babe
