All I fuck is bad bi\*\*\*es  
I don't want no mediocre hoe  
Don't want no mediocre  
I don't want no mediocre no  
Bad bi\*\*\*es only  
Ain't no mediocre hoe  
Don't want no mediocre  
I won't hit no mediocre  
You a bad bi\*ch  
Stuntin' on them mediocre hoe  
On them mediocre  
You stunt on them mediocre  
7 bi\*\*\*es with me and ain't none of them mediocre  
From they head to they toes they so far from mediocre  
Right hand in the air  
I solemnly swear  
I never f\*\*k a bi\*ch if she don't do her hair  
No more,  
You won't get no dick if there's a bush down there  
Girl I should see nothing but pussy when I look down there  
You come f\*\*k with a nigga what better to do  
He call to ask how you doin tell him better than you, yeah  
I'm kicked back with four pieces like a kit kat  
Me f\*\*\*ing if you ain't a dime, just forget that  
Pretty face fat ass, if she don't have  
Have one of these, well I think I'll pass  
I just handed her the keys to a new drop Jag  
When she took it I took it back  
You shoulda asked for a Benz that's mediocre b\*\*ch  
All I f\*\*k is bad bi\*\*\*es  
I don't want no mediocre hoe  
Don't want no mediocre  
I don't want no mediocre no  
Bad bi\*\*\*es only  
Ain't no mediocre hoe  
Don't want no mediocre

I won't hit no mediocre  
You a bad bi\*ch  
Stuntin' on them mediocre hoe  
On them mediocre  
You stunt on them mediocre  
7 bi\*\*\*es with me and ain't none of them mediocre  
From they head to they toes they so far from mediocre  
Heard he want to lay it down on Iggy Iggy  
Gave it to him twice  
Now he want a 3, Mike Bibby diva  
But I need a bad boy  
Rest in peace Whitney pardon me  
But I don't think none of these bi\*\*\*es f\*\*\*ing with me  
Want a billboard b\*\*ch stop running in place  
Heels on me saying gimme 6 inches of space  
Courtside while designer frames cover my face  
Now everybody in the game wanna get em a taste  
I'm still Grand Hustle first lady f\*\*k you pay me  
Bet he won't go 12 rounds with the million dollar baby  
I can change your life quick stop playing with me  
And if you ain't talking money what you saying to me  
All I f\*\*k is bad bi\*\*\*es  
I don't want no mediocre hoe  
Don't want no mediocre  
I don't want no mediocre no  
Bad bi\*\*\*es only  
Ain't no mediocre hoe  
Don't want no mediocre  
I won't hit no mediocre  
You a bad b\*\*ch  
Stuntin' on them mediocre hoe  
On them mediocre  
You stunt on them mediocre  
7 bi\*\*\*es with me and ain't none of them mediocre  
From they head to they toes they so far from mediocre  
I'm in Brazil with a bi'  
Catch me in a mansion in the hills with a bi'  
Get her out dem tennis shoes  
Throw some heels on a bi'  
I'm the type of nigga split a mil with a bi'

Hold up, only if she bad though  
Out here trying to find someone  
That better than my last go  
Take her to my castle  
Drown her in my cash flow  
Say your dick so little she can fit it in her asshole  
Told me she can write this sh\*t  
No further than a cab go  
Said I got that don dick  
She wanna be my tutor  
So she give me brain getting head on the scooter  
Had sex on the beach  
From Bermuda up to Cuba  
I done f\*\*\*ed a lot of dimes  
But I'm looking for a cuter b\*\*ch  
You the sh\*t  
What she say when she got to sit  
When I ain't around  
Give a damn who you do it with  
Super thick pretty face  
Ménage à veinte  
20 at the same time  
Wanna get ya rent paid  
All I fuck is bad bi\*\*\*es  
I don't want no mediocre hoe  
Don't want no mediocre  
I don't want no mediocre no  
Bad bi\*\*\*es only  
Ain't no mediocre hoe  
Don't want no mediocre  
I won't hit no mediocre  
You a bad bi\*ch  
Stuntin' on them mediocre hoe  
On them mediocre  
You stunt on them mediocre  
7 bi\*\*\*es with me and ain't none of them mediocre  
From they head to they toes they so far from mediocre yea
