

# Endless Road – Time Bandits

Time can only whisper truth for both of us  
All the answers I can't find, I put my trust  
In a never ending road that leads to my door  
I don't want you to go my love  
That's all you'll have to know  
And I want you to have my soul  
Somebody show me the way  
And I want you to know, my love  
It's an endless road till love finally  
Comes our way  
My love ooooh my love  
It's an endless road till love finally  
Comes our way  
My love  
Now we fought against a wall when love was  
'bout to fall  
We tried to make it flow, but love wouldn't  
Let us go  
Crazy us, for all those wasted words  
I don't want you to go my love  
That's all you have to know  
And I want you to have my soul  
Somebody show me the way  
And I want you to know, my love  
It's an endless road till love finally  
Comes our way  
My love ooooh my love  
It's an endless road till love finally  
Comes our way  
My love  
And I want you to know, my love  
It's an endless road till love finally  
Comes our way  
My love ooooh my love  
It's an endless road till love finally

Comes our way  
My love
