

GoldenEye – Tina Turner

See reflections on the water
More than darkness in the depths
See him surface in every shadow
On the wind I feel his breath
Goldeneye I found his weakness
Goldeneye he'll do what I please
Goldeneye no time for sweetness
But a bitter kiss
Will bring him to his knees

You'll never know
How I watched you
From the shadows as a child
You'll never know
How it feels to be the one
Who's left behind
You'll never know the days
The nights, the tears
The tears I've cried
But now my time has come
And time
Time is not on your side

See him move
Through smoke and mirrors
Feel his presence in the crowd
Other girls
They gather around him
If I had him
I wouldn't let him out
Goldeneye not lace or leather
Golden chain take him to the spot
Goldeneye I'll show him forever
It'll take forever
To see what I've got

You'll never know
How I watched you
From the shadows as a child
You'll never know
How it feels to get so close
And be denied
It's a gold and honey trap
I've got for you tonight
Revenge, it's a kiss
This time I won't miss
Now I've got you in my sight
With a goldeneye
Golden, goldeneye
With a goldeneye
Goldeneye
