What's Love Got To Do With It - Tina Turner

You must understand though the touch of your hand Makes my pulse react
That it's only the thrill
Of boy meeting girl
Opposites attract
It's physical
Only logical
You must try to ignore
that it means more than that

What's love got to do, got to do with it? What's love but a second-hand emotion? What's love got to do, got to do with it? Who needs a heart when a heart can be broken?

It may seem to you that I'm acting confused When you're close to me
If I tend to look dazed
I've read it someplace
I've got cause to be
There's a name for it
There's a phrase that fits
But whatever the reason
you do it for me

What's love got to do, got to do with it?
What's love but a second-hand emotion?
What's love got to do, got to do with it?
Who needs a heart when a heart can be broken?

Uuuu

I've been taking on a new direction But I have to say I've been thinking about my own protection It scares me to feel this way

What's love got to do, got to do with it? What's love but a second-hand emotion? What's love got to do, got to do with it? Who needs a heart when a heart can be broken?

Got to do, got to do with it?
What's love but a sweet old-fashioned notion?
What's love got to do, got to do with it?
Who needs a heart when a heart can be broken?

Uuuu got to do with it? What's love got to do, got to do with it? Who needs a heart when a heart can be broken?

Uuuu got to do with it?
