Don't let the old man in - Toby Keith

Don't let the old man in I want to live me some more Can't leave it up to him He's knocking on my door And I knew all of my life That someday it would end Get up and go outside Don't let the old man in Many moons I have lived My body's weathered and worn Ask yourself how old you'd be If you didn't know the day you were born Try to love on your wife And stay close to your friends Toast each sundown with wine Don't let the old man in Many moons I have lived My body's weathered and worn Ask yourself how old you'd be If you didn't know the day you were born When he rides up on his horse And you feel that cold bitter wind Look out your window and smile Don't let the old man in Look out your window and smile Don't let the old man in
