

# Melancholic paradise – Tokio Hotel

Watching the sunrise  
Only blue skies  
My heart's pumping to the beat  
But you and I, we know  
That soon the night will show  
A gloomy light that's underneath  
Our souls they need  
Peace and harmony  
But in the moonlight we get lost  
When things get kind of crazy  
Take a break with me, my baby  
No more trouble  
Let's make love all night  
'Cause I'm high on life  
In this melancholic paradise  
'Cause I'm high on life  
In this melancholic paradise  
Our hearts open wide  
We get hurt, we cry  
But it's all worth it in the end  
We have come too far  
To let it go just now  
I'm so happy I could die  
When things get kind of crazy  
Take a break with me, my baby  
No more trouble  
Let's make love all night  
'Cause I'm high on life  
In this melancholic paradise  
'Cause I'm high on life  
In this melancholic paradise  
Watching the sunrise  
Only blue skies  
My heart's pumping to the beat  
'Cause I'm high on life  
In this melancholic paradise

'Cause I'm high on life  
In this melancholic paradise
