

# Monsoon – Tokio Hotel

I'm staring at a broken door,  
There's nothing left here anymore  
My room is cold,  
It's making me insane

I've been waiting here so long,  
But now the moment seems to've come,  
I see the dark clouds coming up again

Running through the monsoon,  
Beyond the world,  
To the end of time,  
Where the rain won't hurt

Fighting the storm,  
Into the blue,  
And when I lose myself I think of you,  
Together we'll be running somewhere new...

Through the monsoon  
Just me and you

A half moon's fading from my sight,  
I see your vision in it's light  
But now it's gone and left me so alone

I know I have to find you now,  
Can hear your name, I don't know how  
Why can't we make this darkness feel like home?

Running through the monsoon,  
Beyond the world,  
To the end of time,  
Where the rain won't hurt

Fighting the storm,

Into the blue,  
And when I loose myself I think of you,  
Together we'll be running somewhere new...  
And nothing can hold me back from you

Through the monsoon Hey! Hey!

I'm fighting all this power,  
Coming in my way  
Let it take me straight to you,  
I'll be running night and day

I'll be with you soon...  
Just me and you

We'll be there soon...  
So soon

Running through the monsoon,  
Beyond the world,  
To the end of time,  
Where the rain won't hurt

Fighting the storm,  
Into the blue,  
And when I loose myself I think of you,  
Together we'll be running somewhere new...  
And nothing can hold me back from you

Through the monsoon  
Through the monsoon  
Just me and you  
Through the monsoon  
Just me and you
