

When it rains it pours – Tokio Hotel

I don't know where you go
Hard for you to share your home
'Cause you don't want it all
Is what we have disposable?

I want more
Something beautiful
Someone that I can count on and knows
When it rains
It pours
Feels like I'm on my own
Please don't try to ignore that, oh

Baby,
Baby
I don't
Wanna do this alone
Baby,
Baby
I don't
Wanna do this alone

I am just a simple man
But I've got blood on my hands
Wash 'em off, all my sins
Help me to remember that

I want more
Something beautiful
Someone that I can count on and knows
When it rains
It pours
Feels like I'm on my own
Please don't try to ignore that, oh

Baby,

Baby
I don't
Wanna do this alone

Baby,
Baby
I don't
Wanna do this alone

Baby,
Baby
I don't
Wanna do this alone

Baby,
Baby
I don't
Wanna do this alone

I want more
Something beautiful
Feels like I'm on my own
Please don't try to ignore that, oh

Baby,
Baby
I don't
Wanna do this alone

Baby,
Baby
I don't
Wanna do this alone

I want more
Something beautiful
Someone that I can count on and knows
When it rains

It pours
Feels like I'm on my own
Please don't try to ignore that, oh

Baby,
Baby
I don't
Wanna do this alone

Baby,
Baby

I don't Wanna do this alone
